

VILLA INTERNATIONAL
HIGH SCHOOL

Dear Students and Parents,

Subject: Introduction of new set of girls' uniform

Please be informed that Villa International High School has decided to introduce an additional girls' uniform set to our existing uniform collection. This decision has been made in line with the Ministry of Education's initiative to standardize school uniform patterns across government schools.

As many of our female students have been wearing similar uniform styles throughout their primary and secondary education for nearly a decade, introducing a more familiar style is expected to support a smoother and more comfortable transition into higher secondary education at VIHS.

Please find attached the updated Villa International High School Uniform Guidelines, which will come into effect from 7th June 2026.
